YOUR COMMENTS

Your comments will be considered when the Landmarks Commission makes a decision on this application. All testimony and evidence must be directed toward the approval standards for the applications listed in this notice. Failure to raise an issue by letter or verbally before the close of the record or the final evidentiary hearing, or failure to provide statements or evidence with sufficient detail to allow the Landmarks Commission an adequate opportunity to respond to each issue raised precludes an appeal based on that issue.

PUBLIC HEARING PROCEDURE

Persons wanting to provide testimony during public hearings at meetings may:

1. Email written comments to alyssa.schrems@albanyoregon.gov **before noon the day of the meeting**, including your name and subject of the public hearing, or mail comments to Albany Planning Division; PO Box 490, Albany, OR 97321. **Written comments to be addressed in the staff report must be received by City staff on or before November 25, 2024.**
2. To testify virtually during the public hearing, register by emailing cdaa@albanyoregon.gov **before noon on the day of the meeting**, with your name, address, phone number, and if you are speaking for, against, or neutral on the project/subject. The chair will call upon those who have registered to speak.
3. Appear in person at the meeting and register to speak using the signup sheet on the table.

The public hearing will begin with a declaration of any bias, *ex parte* contacts (contacts that occurred outside of the public hearing), or any conflict of interest by the decision-makers. This will be followed by the staff report from the planning staff. Then the applicant will testify. This will be followed by calling upon those who registered to speak in support of the application. After those in favor of the application are finished, testimony from those who registered to speak in opposition will begin. This will be followed by testimony from people who neither favor nor oppose the application. Following, a calling upon anyone else who wishes to testify either in support, in opposition, or neutral will be made. The applicant will then be able to respond to the public comments. The decision-makers are free to ask questions of any person who has testified, or of staff, at any point during the hearing. Once all comments are recorded as part of the meeting, and the applicant responds, the Landmarks Commission will close the public hearing and deliberate on the application.

If additional documents or evidence are provided by any party, the City may allow a continuance, or leave the record open, to allow the parties a reasonable opportunity to respond. Any continuance or extension of the record requested by an applicant shall result in a corresponding extension of the 120-day time limitations of Oregon Revised Statute (ORS) 227.178.

If the hearing is continued or the record is left open, the chair will announce the date, time, and place for the resumption of the hearing and/or what limitations exist on further testimony or submittal of written materials. If the hearing and record are closed, the decision-makers will begin deliberations and/or will announce the time, date, and place when the decision will be made.

This meeting is accessible to the public via video connection. The location for in-person attendance is accessible to people with disabilities. If you have a disability that requires accommodation, please notify City staff at least 48 hours in advance of the meeting at 541-917-7550, or email cdaa@albanyoregon.gov.

APPEALS

Within five days of the Landmarks Commission's final decision on this application, the Community Development Director will provide written notice of decision to the applicant and any other parties entitled to notice.

A decision of the Landmarks Commission may be appealed to the City Council if a person with standing files a notice of appeal and pays the associated filing fee with the City within ten days of the date the City mails the notice of decision.

Approval Standards for This Request

Historic Review of New Construction (ADC 7.270)

The Community Development Director or the Landmarks Commission must find that the request meets the following applicable criteria in order to approve the new construction request:

1. Within the Monteith and Hackleman Districts:
 - (a) The development maintains any unifying development patterns such as sidewalk and street tree location, setbacks, building coverage, and orientation to the street.
 - (b) The structure is of similar size and scale of surrounding buildings, and as much as possible reflects the craftsmanship of those buildings.
 - (c) Building materials are reflective of and complementary to existing buildings within the district.

Additional review standards for this application are found in ADC Articles 1, 2, 3, and 7.
