

Public Works Department

ADDENDUM #1

WWTP-24-03, 34th Avenue Lift Station Improvements

DATE: MAY 3, 2024

In order to clarify the intent of the Specifications and Drawings, the following provisions are provided and shall be considered part of the contract documents.

ADDITIONAL INFORMATION:

1. Optional Pre-bid Meeting Attendance record is attached to this addendum as Attachment 1.
2. A map showing the location of the passive sewer bypass is attached to this addendum as Attachment 2.
3. A question was raised asking if the City has a Buy America requirement. The City does not have a Buy America requirement. There are references in the Standard Construction Specifications Division 1 501.00.00 GENERAL to provide products of domestic manufacture, but that requirement applies to drinking water supply only and is not applicable to this project.

In order to ensure that all bidders are aware of these provisions, each bidder must sign this addendum below and attach it to the proposal.

IMPORTANT: Failure to include a signed Addendum could result in the disqualification of your bid.
