

## Ordinance no 140.

Ord 140  
Rep 1506

An ordinance enlarging the powers and authority of the Chief Engineer of the Albany Fire Department and to designate the person authorized to act as Chief in the absence or inability to act of the Chief or Assistant Chief.

The People of the city of Albany do enact as follows:

Section 1 That in the absence of the Chief Engineer and Assistant Chief Engineer of the Fire Department of the city of Albany, or their inability to act the Foreman of Albany Engine Company No 1 of said Fire Department be and he is hereby authorized and empowered to act as Chief Engineer of said Fire Department, and clothed with all the power and authority of Chief Engineer

Section 2 That the Chief Engineer of the Fire Department of the city of Albany, or in his case of his absence or inability to act, the Assistant Chief Engineer of said Department, and in case of the absence or inability to act of both the Chief Engineer and Assistant Chief Engineer, of said Fire Department, the Foreman of Albany Engine Company No 1 of said Department, in case of fire in any part of the city, in the day time or night time, may, whenever he shall deem it necessary employ one person and team to haul each fire engine and apparatus to and from such fire, and contract that the city of Albany pay for such service rendered in the daytime not exceeding \$200 and for such service rendered in the night time not exceeding \$400; provided however that no money shall be paid out of the city Treasury under this section unless it shall be made to appear to the satisfaction of the Common Council of said city, that in each instance the fire engine and apparatus has been actually hauled to and from the fire by such person and team.

Passed the Council February 7<sup>th</sup> 1886.

Approved February 10<sup>th</sup> 1886.

Attest:

W. J. Henton  
Recorder of the City of Albany.

J. S. Weatherford  
Mayor.
