

Ordinance No 205

An Ordinance adopting certain reports of certain surveys made by W. E. Barr the City Surveyor of the City of Albany Oregon in pursuance of Resolution No 28 adopted by the Council of said City on the 14<sup>th</sup> day of June 1892 which said reports and surveys show the boundaries descriptions and plats of the parts of blocks Nos 45, 46, 47, 48, 49 and 50 in Hackleman's second Addition to the City of Albany Lincoln County Oregon and the parcels of land therein contained necessary for right of way for the constructing and maintaining of a lateral sewer over and across each of said blocks and running in a direction parallel with the north boundaries of said blocks said reports of such surveys having been filed with the Recorder of said City on the 28<sup>th</sup> day of June 1892.

Whereas the Common Council of the City of Albany did on the 14<sup>th</sup> day of June 1892 decide by Resolution No 28 that it is necessary and expedient to lay and construct a sewer over and across Block No 45 in Hackleman's second Addition to the City of Albany Oregon at or near the center of said block and in a direction running parallel with the north boundary line of said block and the parcels of land therein over and across which said sewer is proposed to be constructed being private property and also that it is expedient to lay and construct a sewer over and across Block No 46 in Hackleman's second Addition to said City of Albany at or near the center of said block and running in a direction parallel with the north boundary line thereof said block and parcels of land therein over and across which it is proposed to construct said sewer being private property and

Whereas said Council did on the 14<sup>th</sup> day of

June 1892, declare by resolution No 25 that it is expedient to lay and construct a sewer over and across block No 47 in Hacklemans Addition to said City at or near the center of said block and running in a direction parallel with the north boundary line thereof said block and the parcels of land therein over which it is proposed to construct such sewer being private property, and also that it is expedient to lay and construct a sewer over and across block No 48 in Hacklemans Second Addition to said city at or near the center thereof and running in a direction parallel with the north boundary line of said block said block and the parcels of land therein over which it is proposed to construct such sewer being private property and also that it is necessary and expedient to lay and construct a sewer over and across block No 45 in Hacklemans Second Addition to said City of Albany at or near the center of said block and running in a direction parallel with the north boundary line thereof said block and the parcels of land therein over and across which it is proposed to lay and construct such sewer being private property, and also that it is expedient to lay and construct a sewer over and across block No 50 in Hacklemans second Addition to said City at or near the center of said block, and running in a direction parallel with the north boundary line thereof said block and parcels of land therein over which it is proposed to construct such sewer being private property and

Whereas said Council did on said 14<sup>th</sup> day of June 1892 direct and order the Surveyor of said City to survey and make a full and perfect description and plat of the boundaries of such respective proposed sewers and the portions of said blocks respectively and the parcels of land therein necessary to be appropriated as and for a

June 1892, declare by resolution No 28 that it is expedient to lay and construct a sewer over and across block No 47 in Hacklemans Addition to said City at or near the center of said block and running in a direction parallel with the north boundary line thereof said block and the parcels of land therein over which it is proposed to construct such sewer being private property, and also that it is expedient to lay and construct a sewer over and across block No 48 in Hacklemans Second Addition to said city at or near the center thereof and running in a direction parallel with the north boundary line of said block said block and the parcels of land therein over which it is proposed to construct such sewer being private property and also that it is necessary and expedient to lay and construct a sewer over and across block No 45 in Hacklemans Second Addition to said City of Albany at or near the center of said block and running in a direction parallel with the north boundary line thereof said block and the parcels of land therein over and across which it is proposed to lay and construct such sewer being private property, and also that it is expedient to lay and construct a sewer over and across block No 50 in Hacklemans second Addition to said City at or near the center of said block, and running in a direction parallel with the north boundary line thereof said block and parcels of land therein over which it is proposed to construct such sewer being private property and

Whereas said Council did on said 14<sup>th</sup> day of June 1892 direct and order the Surveyor of said City to survey and make a full and perfect description and plat of the boundaries of such respective proposed sewers and the portions of said blocks respectively and the parcels of land therein necessary to be appropriated as and for a

right of way for such sewers respectively and to mark the boundaries of such sewers and terrain of land required for rights of way for the laying and constructing of each of such sewers and to report such surveys respectively in writing to said Council And

Whereas said Surveyor did make such surveys as so directed by said Resolution and on the 25<sup>th</sup> day of June 1892 did make his report in writing to said Council of his surveys and descriptions of a right of way for a sewer over and across each of said blocks in the City of Albany and of the portion of the parcels of land in said blocks necessary for a right of way for the construction of a sewer over and across each of said blocks and did append to each of said reports a correct plot of each of said surveys showing the particular portions of each of said blocks and the respective parcels of land therein required for the respective rights of way necessary for the constructing and maintaining of each of such sewers over and across such portions of said blocks and parcels of land therein therefore

The People of the City of Albany do ordain as follows.

Section 1 That the said report of said City Surveyor of his said survey of a right of way for a lateral sewer over and across block No. 45 in Hacklemans Second Addition to the City of Albany Linn County Oregon which said Original report is as follows be and the same is hereby in all things approved and adopted
