

Ordinance No: 317

Ord. No.
312

An Ordinance, relating to the improvement of Ninth Street, from the East line of Montgomery Street, to the west line of Jefferson Street, and fixing the time within which such improvement shall be made, and prescribing the manner in which the work shall be done.

The People of the City of Albany do,
Ordain as follows:

Section 1: The City of Albany, having heretofore determined by Resolution No: 14, adopted by the Common Council of said City, May 12th 1896, to improve Ninth Street, from the east line of Montgomery Street, to the west line of Jefferson Street, by grading, and graveling said portion of Ninth Street, and having given due, and proper notices of said proposed improvement and ascertained and determined the probable cost thereof, it is hereby ordered, that said improvement of said portion of Ninth Street be made.

Section 2: That said grading, and graveling be made, and done in the manner, provided, and prescribed by the Ordinances of said City regulating the grading, and graveling of streets; and all such work shall in every manner, and way strictly conform to the provisions, and requirements of said Ordinances.

Section 3: That Recorder of the City of Albany, be, and he is hereby ordered, and directed to advertise for bids for the grading, and graveling of said portion of said Ninth Street, as specified in section 1, of this Ordinance, for at least 8 days before the next meeting of the City Council immediately after the passage of

and approval of this ordinance, by posting printed notices in at least 5 public places in the city of Albany, and shall in said notices describe the work to be done, with reasonable certainty, and shall state in said notices that all bids will be subject to rejection by the Council, in case such bid, or bids shall be deemed unreasonable by said Council, or in case of any person bidding for such work who has heretofore bid, or contracted for such work, and who has been delinquent therefore; and he shall also state in said notices that all bids must state the price per cubic yard for excavating, and filling, and the price per cubic yard for delivering, and spreading gravel.

Section 4: That the grading, and graveling of said portion of Ninth Street, shall be let to the lowest responsible bidder therefor, subject to the provisions of Section 3 of this ordinance, and also subject to the provisions of Section 82, of Chapter 7 of the Charter of the City of Albany; but before entering into a contract for the improvement of said Street, the successful bidder therefor, shall enter into a good, and sufficient bond for the faithful performance of his contract.

Section 5: Said improvement of Ninth Street, shall be completed within 30 days after the bid for the work is accepted, and the contract awarded.

Section 6: This ordinance shall take effect, and be in full force from, and after its approval by the Mayor.

Approved August 17th 1896.
