

Repealed Albany, Oregon

Ord No. 637  
Rep 711

An Ordinance to ascertain, determine and declare the probable cost of certain improvements which the Council of the City of Albany, Oregon, has determined in Resolution No. 6, adopted by said Council on the 26 day of February, 1913, to make on Jefferson Street in said city from the north line of First Street to the south line of Water Street, to ascertain, assess, determine and declare the proportionate share of such probable cost of such improvement of said Jefferson Street that is assessed upon each lot or part thereof, and upon lots and parts of said Jefferson Street to be so improved; to direct the Recorder of said City to enter a statement of such assessment in the docket of city liens, as provided by the charter of said city.

Whereas, on the 26 day of February, 1913, the Council of the City of Albany, in Lincoln County, Oregon, duly adopted a resolution requiring the City Engineer of said city to make plans and specifications for the improvement of Jefferson Street from the north line of First Street to the south line of Water Street in said city with gravel bituminous pavement, and for the installing of a proper drainage system, and for the estimates of the work to be done on said portion of said Jefferson Street and the probable cost thereof, and requiring that such plans, specifications, estimates and probable cost be filed in the City Recorder's office of said city on or before the 12 day of March, 1913, said resolution being enclosed: "Resolution No. 4", and adopted the 26 day of February, 1913; and,

Whereas, the City Engineer of said city of Albany, pursuant to said resolution No. 4, made plans, specifications and estimates as directed by said resolution for the improvement of said Jefferson Street in the manner specified in said Resolution No. 4, and filed said plans, specifications and estimates in the Recorder's office of said city of Albany on the said 12 day of March, 1913, enclosed, "Engineer's plans and specifications for the improvement of Jefferson Street from the north line of First Street to the south line of Water Street, and the estimates of the work to be done on said street and the probable cost thereof"; and,

Whereas, the said City Council on the 26 day of March, 1913, by Resolution No. 6, duly adopted, said Council, determined and resolved that it should be expedient and that said Council proposed to improve Jefferson Street from the north line of First Street to the south line of Water Street, in the manner provided in said Resolution No. 6, and

## ORDINANCE No. 438

Whereas, in and by said Resolution No. 6, adopted as aforesaid by the Council, the City Recorder of said city was duly ordered and directed by said council to give notice of said proposed improvement of said Jefferson Street from the north line of First Street to the south line of Water Street, as provided by the charter of said city of Albany, and,

Whereas, the City Recorder, in pursuance of said order and direction of the council of the said City of Albany, did duly give notice of said proposed improvement of said Jefferson Street, in the manner provided by the Charter of said city, and,

Whereas, the said council in and by said Resolution No. 6 ascertained and determined the total probable cost of making said improvement of said Jefferson Street to be paid by the owners of the real property adjacent to said portion of said Jefferson Street to be improved as mentioned in said Resolution No. 6 to be the sum of \$1,732.00, and the total probable cost of making said improvement of said Jefferson Street to be the sum of \$1,732. Therefore,

The People of the City of Albany Do Ordain As Follows:

Section 1. That Jefferson Street from the north line of First Street to the south line of Water Street, in said City of Albany, Oregon, shall be improved as follows, to-wit:

- First: By grading said street to the proper sub-grade.
- Second: By paving the roadway of said street full width with gravel bitthulitic pavement.
- Third: By laying and constructing gravel bitthulitic headers.
- Fourth: By constructing catch basins.
- Fifth: By constructing inlets.
- Sixth: By laying vitrified sewer pipe.

All in accordance with said Resolution No. 6, and the plans, and specifications of said improvement filed as the City Engineer with the City Recorder of said City of Albany, Oregon, on the 12 day of March, 1900.

Section 2. That the probable cost of making said improvement of said Jefferson Street in the City of Albany, Oregon, from the north line of First Street to the south line of Water Street, in the manner heretofore determined by the Council of said City of Albany, in and by said Resolution No. 6, is hereby declared to be the sum of \$1,730.00.

Section 3. That the proportionate share of said probable cost of said improvement of said Jefferson Street, in and

ORDINANCE NO. 638
