

ORDINANCE NO. 696

Ord 696

An ordinance requiring the present holders of the franchises granted by Ordinance No. 147 of the City of Albany, Oregon, to repair Water Street from Thurston Street to Railroad Street so that the railroad track shall not obstruct travel up on said street.

Whereas by Ordinance No. 147 of the City of Albany, Oregon, passed by the council October 26, 1886, approved October 30, 1886, Oregon and California Railroad Company was granted a right of way over Water Street in the City of Albany, Oregon, which grant reserved the right to the council of the City of Albany to prescribe the manner of such use at any and all times when the council may consider the public welfare of the City requires it so to do and which said grant requires that the track shall be so constructed as not to obstruct travel; and

Whereas in the opinion of the council of the City of Albany the public welfare requires that Water Street from Thurston Street to Railroad Street shall be repaired and filled in with gravel so that conveyances may pass over truckage upon said street.

Therefore:

The People of the City of Albany Do Ordain As Follows:

Section 1. That Oregon and California Railroad Company or its lessee, the Southern Pacific Company or and they are hereby required within 60 days from the approval of this ordinance, to repair and place in good condition, Water Street, in the City of Albany, Oregon, from Thurston Street to Railroad Street by paving the same in such a manner that conveyances and vehicles cross the said track of the said Oregon and California Railroad Company.

Passed by the Council Nov. 26, 1913.

Attest:

F. W. Tamm

Approved Nov. 26, 1913.
