

RESOLUTION NO. 2095

H₁

WHEREAS, the Albany Historic Advisory and Museum Commission has been requested to prepare an ordinance relating to the demolition of historic landmarks for Council review, and

WHEREAS, it has been brought to the attention of the Commission that several historic structures are slated for demolition in the near future, and

WHEREAS, an ordinance of this scope requires careful consideration which may require review over a period of time, and

WHEREAS, public awareness of the consideration of such an ordinance may result in the premature demolition of buildings,

NOW, THEREFOR, BE IT RESOLVED by the Mayor and City Council members of the City of Albany, that a moratorium on demolition within the City limits in the geographic area north of Ninth Avenue and Pacific Boulevard, east of Washington and west of Jackson Streets be adopted for two weeks from this date to allow for the discussion of a possible demolition delay ordinance.

DATED this 25th day of July, 1979.

Richard S. Olsen
Mayor
