

RESOLUTION NO. 2239

A RESOLUTION SUPPORTING THE ESTABLISHMENT OF THE HACKLEMAN HISTORIC DISTRICT ON THE NATIONAL REGISTER OF HISTORIC PLACES

WHEREAS, more than 50% of the proposed Hackleman District property owners have signed petitions requesting that their area be permitted to apply to the National Register of Historic Places to be recognized as a historic district; and

WHEREAS, a street-by-street survey of the entire city was completed in April, 1978, by a state-recognized preservation architect, and buildings were rated in regard to their relative significance; and

WHEREAS, said survey identified the proposed Hackleman District as having an unusual amount of historic buildings which would qualify the area for state and national recognition as a historic district; and

WHEREAS, the survey and the resulting National Register nomination based on that survey was approved on June 6, 1978, by the State Advisory Committee on Historic Preservation for submission to the Keeper of the National Register; and

WHEREAS, National Register designation will in no manner limit the rights of the property owners in terms of the alteration or demolition of the identified structure unless the owner has of his own accord applied for and received one of the several tax, loan, and grant packages available to National Register properties; and

WHEREAS, LCDC Goal 5 regarding "Open Spaces, Scenic and Historic Areas, and Natural Resources" requires the protection of "scenic and historic areas...for future generations" and further specifies that "The National Register of Historic Places and the recommendations of the State Advisory Committee on Historic Preservation should be utilized in designating historic sites"; and

WHEREAS, it is felt by the residents of the proposed district that the National Register recognition and resulting improvements would contribute to the beautification of the city, the education, enjoyment and pride of its citizens, and the increased economic vitality of the community.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Albany, Oregon, that the Council members support the nomination of the proposed Hackleman Historic District to the National Register of Historic Places as described by the map which is attached hereto as Exhibit A and by this reference incorporated herein.

ADOPTED THIS 11TH DAY OF MARCH, 1981.
