

RESOLUTION NO. 2806

A RESOLUTION MAKING FINDINGS TO WAIVE COMPETITIVE BIDS FOR THE PURCHASE OF A USED DUMP TRUCK.

WHEREAS, the City Council is designated as the local contract review board, and relative to contract concerns of the City, it shall have all the power granted to the state public contract review board as it pertains to local purchasing and local contract; and

WHEREAS, Chapter 2.64 of the Albany Municipal Code sets forth exemptions for competitive bids; and

WHEREAS, used dump trucks are not available for lease during the summer months when they are needed in the Operations Division; and

WHEREAS, the City of Albany has need for an additional dump truck during the summer months; and

WHEREAS, used dump trucks have been located which are available for purchase; and

WHEREAS, there are limited numbers of quality used trucks available in the market place; and

WHEREAS, it is difficult to write specifications for used equipment; and

WHEREAS, the contract review board finds:

The lack of bids will not result in favoritism or substantially diminish competition because of the limited numbers of quality, used trucks on the market; and

There are a limited number of vendors available to bid on used dump trucks; and it is difficult to prepare specifications for used dump trucks that will provide the City a low-maintenance cost piece of equipment.

NOW, THEREFORE, BE IT RESOLVED that competitive bidding requirements for a used dump truck are waived and the staff is authorized to investigate and negotiate for a quality, used dump truck within the \$30- to \$35,000 price range.

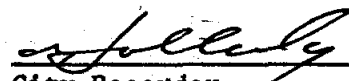

BE IT FURTHER RESOLVED that the City Council shall review and approve the purchase of a used dump truck.

DATED this 24th day of August, 1988.
