

RESOLUTION NO. 3110

A RESOLUTION authorizing a grant application in the amount of \$20,000 be submitted to the State Department of Land Conservation and Development for a Wetlands Conservation Planning Assistance Grant.

WHEREAS, the Department of Land Conservation and Development has funds available to assist local governments in the preparation of wetlands conservation plans, and

WHEREAS, such a study appears to be the most appropriate step to address the uncertainty that currently exists regarding possible wetlands issues on developable sites in the City.

NOW, THEREFORE, BE IT RESOLVED by the Albany City Council that a grant application in the amount of \$20,000 be submitted to the State Department of Land Conservation and Development for a Wetland Conservation Planning Assistance Grant.

BE IT FURTHER RESOLVED that the application will show that the required 35 percent local match will include in-kind city staff time and funds previously appropriated for the Oak Creek Calapooia Drainage Study.

DATED THIS 6TH DAY OF NOVEMBER, 1991.
