

RESOLUTION NO. 3187

A RESOLUTION DECLARING AN EMERGENCY AND WAIVING THE COMPETITIVE BIDDING REQUIREMENTS FOR REPAIR OF MANHOLE LOCATED AT LYON STREET AND RIVERFRONT INTERCEPTOR DIRECTLY UNDER THE LYON STREET BRIDGE.

THE CITY OF ALBANY CITY COUNCIL HEREBY FINDS AS FOLLOWS:

1. Lyon Street manhole has a structural failure of the manhole walls.
2. Temporary repairs have been made, but more permanent repairs are needed before onset of rainy weather to prevent a repeat occurrence.
3. Time requirements inherent in normal competitive bidding procedures would delay execution and completion of permanent repairs well into normal rainy season. Public interest would be best served by waiving standard competitive bidding procedures on this project and allowing direct contract negotiations to be undertaken without delay.
4. The estimated maximum cost for project completion is \$15,000. Sufficient funds are available to pay for this project in the Sewer System Replacement Fund (02-454-856)

NOW, THEREFORE, be it resolved that the Albany City Council, acting as the Contract Review Board, hereby declares an emergency and authorizes the execution of a contract without competitive bidding as provided for in the provisions of Section 2.64.060 of the Albany Municipal Code.

Dated this 12th day of August, 1992

Mayor
