WHEREAS, the City has identified a need to replace an the existing five-yard dump truck; and

WHEREAS, the aforesaid dump truck was included in the ¹⁹⁹⁹⁻²⁰⁰⁰~~1998-1999~~ budget; and

WHEREAS, AMC 2.64.060(20) authorizes the City Council, acting as the local contract review board, to exempt certain contracts from the requirements of competitive bidding upon findings that such exemption will not result in favoritism or substantially diminish competition and that the exemption will result in substantial cost savings; and

WHEREAS, the City of Longview, Washington, recently secured competitive bids for equipment of the exact type required, and the low bidder in that process is willing to sell the City a dump truck upon exactly the same terms and conditions as provided in their bid to the City of Longview, Washington.

The exemption of this purchase from the requirement of direct competitive bidding and the purchase of a five-yard dump truck from DSU Peterbilt/GMC, will not result in favoritism or substantially diminish competition because the purchase of the dump truck will be at the same price, and upon the same terms as resulted from a recent competitive bid by another public agency; and

The exemption will result in substantial cost savings by avoiding a formal contract bid process.

BE IT FURTHER RESOLVED that the City Council of the City of Albany, acting as the local contract review board, hereby authorizes the purchase of a five-yard dump truck from DSU Peterbilt/GMC, for the amount of \$57,329.
