

RESOLUTION NO. 4459

A RESOLUTION AUTHORIZING PARTIAL REMOVAL OF ON-STREET PARKING ON 34TH AVENUE, FROM JACKSON STEEET TO WAVERLY DRIVE; COLUMBUS STREET, 100-FEET NORTH FROM 34TH AVENUE; AND GEARY STREET, 120-FEET NORTH AND SOUTH OF 34TH AVENUE.

WHEREAS, the 34th Avenue Rehabilitation project is identified as a needed improvement in the City of Albany Transportation System Plan and is identified as a City of Albany Street Bond Project; and

WHEREAS, removal of on-street parking on 34th Avenue is required to provide adequate space to stripe travel lanes, turn lanes, and bike lanes in each direction; and

WHEREAS, on-street parking will be partially removed on alternating sides of 34th Avenue from Jackson Street to Madison Street and from Tudor Way to Pine Street; and

WHEREAS, removal of all on-street parking on 34th Avenue from Madison Street to Tudor Way is required to provide turn lanes at the Hill Street intersection; and

WHEREAS, removal of most on-street parking on 34th Avenue from Geary Street to Waverly Drive is required to provide a continuous center-turn lane on 34th Avenue; and

WHEREAS, removal of on-street parking on Columbus Street, 100-feet north from 34th Avenue, is required to provide turn lanes on Columbus Street at the 34th Avenue intersection; and

WHEREAS, removal of on-street parking on Geary Street, 120-feet north and south from 34th Avenue, is required to provide turn lanes on Geary Street at the 34th Avenue intersection.

NOW, THEREFORE, BE IT RESOLVED that the Albany City Council does hereby direct the partial removal of on-street parking on 34th Avenue, from Jackson Street to Waverly Drive; Columbus Street, 100-feet north from 34th Avenue; and Geary Street, 120-feet north and south of 34th Avenue per the attached map labeled Exhibit A.

DATED THIS 11TH DAY OF JULY 2001.

Council President
