THIS AGREEMENT, made and entered into this 15 day of 1, 2002, by **David Rey Sierra and Leonor Limon-Villa**, herein called Grantor, and the **CITY OF ALBANY**, a Municipal Corporation, herein called "City."

WITNESSETH:

That the Grantor has this day granted unto the City of Albany, easement and right-of-way, including the right to enter upon the real property hereinafter described, and to maintain and repair public utilities for the purpose of conveying public utilities services over, across, through, and under the lands hereinafter described, together with the right to excavate and refill ditches and/or trenches for the location of the said public utilities and the further right to remove trees, bushes, under-growth, and other obstructions interfering with the location and maintenance of the said public utilities.

1. The right-of-way hereby granted consists of:

2. In order that the work may be done in a timely and complete manner, we hereby agree to grant and allow a temporary right of entry for construction access to the City, its representatives and to the Contractor, for access to, upon and over our property for planning and construction of a sanitary sewer, service connection, and such appurtenances as are required to make the project complete.
