

RESOLUTION NO. 6592

A RESOLUTION DESIGNATING THE SWANSON PARK-TRAIN STATION PATH AS A CITY PARK

WHEREAS, the City of Albany has constructed and maintains a system of public paths connecting the Albany Train Station with Swanson Park, said path being constructed on both the north and south side of the Pacific Highway overpass and shown on EXHIBIT A attached; and

WHEREAS, the City expends considerable resources annually to maintain these facilities in an operable and safe condition for public use; and

WHEREAS, the Albany Police Department responds routinely to complaints of panhandling, camping, disorderly conduct, littering, drinking, drug use and related activities on and adjacent to this path system; and

WHEREAS, the extension of park regulations, as expressed in the Albany Municipal Code, to this path system would help APD to respond more effectively to and alleviate these undesirable activities; and

NOW, THEREFORE, BE IT RESOLVED that the path and area shown on Exhibit A is designated by the Albany City Council as a City park and named the Swanson Park-Train Station Path.
