INTRODUCTION

We take pleasure in presenting our First Edition of the Albany City Directory. Every effort has been made to make this Directory as complete and accurate as is humanly possible.

We include in this Directory an Alphabetical List of Names, a Street and Avenue Guide, a Classified Buyers Guide and a Reverse Telephone Directory.

We wish to thank the many business men who have supported this Directory with their advertising and subscriptions.

A Directory library of out-of-town directories is maintained in your Chamber of Commerce office, and new directories are mailed to that office as they are issued.

WILLAMETTE BASIN PROJECTS-	20 dams included in the project--5 in Linn County. Total cost of the Project when completed will approximate \$400,000,000 and will serve a drainage area of 3,356 square miles and generate 389,000 KW hydroelectric power.
UTILITIES-	Albany is the Division Headquarters of the Pacific Power and Light Company, which serves a large area in the Pacific Northwest. A substation of the Bonneville Power Station is also located here. Pacific Power and Light Company also furnishes city water, and gas is supplied by Portland Gas & Coke Co. Pacific Telephone and Telegraph Company provides dial telephone service.
RECREATION-	The city maintains highly-developed recreation programs, with baseball, softball, basketball leagues, handicraft and hobby activities. Swimming pool, two lighted athletic fields and an excellent 18-hole public golf course and tennis courts are just a short distance from the business district. Duck and pheasant hunting, fishing are in the immediate area. Hoodoo bowl in the Cascades provides skiing. The Pacific Coast Conference sports at Oregon State College and the University of Oregon are but a short drive. Tidewater fishing on the Alsea River is just an hour's drive from Albany with deep sea fishing less than two hours away. Fine facilities for picnicking, boating, and swimming in the city and adjacent areas.
EMPLOYMENT-	Full details as to job openings may be obtained from the Oregon State Employment Service in the St Francis Hotel Bldg.
INDUSTRY-	Albany has an ideal diversified payroll. In addition to agriculture and timber it features zirconium, titanium, Kraft paper, meat processing, food and milk processing as well as several other small diversified manufacturing plants.
TAX INFORMATION-	The state of Oregon does not have a sales tax on retail sales. There is a State of Oregon personal income tax.

STATISTICAL REVIEW (CONT'D)

- FARM PRODUCTS- Principal farm products produced in Linn County and the annual income there from, according to the Federal Census amounted to \$16,575,000. Albany the county seat produces one-third of that income.
- MANUFACTURING- Annual gross sales of manufacturing firms other than grass seed and grain cleaning plants located in the Albany area amounted to \$88,090,000.
- CELEBRATION- World Famous Timber Carnival is held annually on July 3-4-5. World's Championship log rolling, chopping, speed climbing, jousting and topping, axe throwing, and other events. 120,000 view this spectacle each year.

Western Kraft Corporation

Albany, Oregon

A NEW INDUSTRY

COMES TO THE ALBANY AREA

The Western Kraft plant is located on a 100-acre tract about 3½ miles north of Albany, Oregon. This area was selected primarily because of its central location in relation to the supply of wood chips from the surrounding timber areas. The principals of the new corporation have extensive experience in the kraft business and see in this plant a dream become a reality.
