Located on the Willamette River, Albany, offers opportunity for boating, water skiing. Collegiate football and basketball featuring the University of Oregon and Oregon State College are right in the neighborhood. Biggest outdoor show in the entire Northwest is the World Famous Albany Timber Carnival held each year. Featured are the world championships in tree topping, speed climbing, bucking, log rolling and axe throwing held July 2-3-4. This spectacular three-day July event is climaxed by a gigantic night of fireworks display on the night of July 4th. Over 50,000 spectators view this giant affair annually.

INDUSTRY-Industrial diversification has been the key factor in the rapid growth and development of Albany. Recent payroll additions have come from Kraft paper production, featuring wood waste utilization, and from the highly imaginative reactive metal field. In the latter two corporations are in production of Zirconium Titanium and related metals. Albany location of the U S Bureau of Mines experimental station will undoubtedly attract other industry in the experimental field.

This Publication Is The Product of a Member of

—thus assuring you the ultimate service that skill and care can produce in the way of City Directories or other reference media, and providing protection against fraudulent advertising schemes which operate under the name of Directories.

The following "Standards of Practice," adopted at the inception of the Association of North American Directory Publishers in 1898, and strictly adhered to over the years, is your guarantee of satisfactory Directory Service.

The publisher of a Directory should dedicate his best efforts to the cause of business uplift and social service, and to this end pledges himself:

1. To consider, first, the interest of the user of the book.
2. To subscribe to and work for truth, honesty and accuracy in all departments.
3. To avoid confusing duplication of listings, endeavoring to classify every concern under the one heading that best describes it, and to treat additional listings as advertising, to be charged for at regular rates.
4. To increase public knowledge of what Directories contain; to study public needs and make Directories to supply them; to revise and standardize methods and classifications, so that what is wanted may be most easily found, and the Directory be made to serve its fullest use as a business and

social reference book and director of buyer and seller.

5. To decline any advertisement which has a tendency to mislead or which does not conform to business integrity.
6. To solicit subscriptions and advertising solely upon the merits of the publications.
7. To avoid misrepresentation by statement or inference regarding circulation, placing the test of reference publicity upon its accessibility to seekers, rather than on the number of copies sold.
8. To co-operate with approved organizations and individuals engaged in creative advertising work.
9. To avoid unfair competition.
10. To determine what is the highest and largest function of Directories in public service, and then to strive in every legitimate way to promote that function.

\$100 Reward will be paid by the Association of North American Directory Publishers for the arrest and conviction of any person or persons engaged in the publishing, collecting or canvassing for any fraudulent or fake directories.

Western Kraft Corporation

Albany, Oregon

A VITAL SEGMENT OF THE ALBANY ECONOMY

The Western Kraft plant is located on a 100 acre tract about $3\frac{1}{2}$ miles north of Albany, Oregon. This area was selected primarily because of its central location in relation to the supply of wood chips from the surrounding timber areas. The plant is designed for the production of quality paper board from virgin douglas fir that was formerly burned and products are utilized in the manufacture of paper boxes.

CITY DIRECTORY ADVERTISING *is National* **ADVERTISING**

Each edition of your City Directory is widely distributed to free-reference City Directory Libraries located at the Chambers of Commerce of hundreds of other cities. *Therefore your ad in the City Directory is seen by buyers from coast-to-coast.

CAN YOU AFFORD

to miss a Full Representation in the Classified part of the City Directory. It is a Buyers' and Sellers' Guide, and through its consultation.

***Thousands Of Dollars Worth Of
Goods Are Sold Annually***

CASHIERS! TELLERS! CLERKS!

**DO YOUR EMPLOYERS FURNISH YOU
WITH THE LATEST EDITION OF
THE CITY DIRECTORY**

You need it at your elbow at all times, to protect your company from forgers and bad check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved much money and helped some cities "too sharp" for bad check "operators".

THE CITY DIRECTORY

**A Real
Necessity
in Every
Office**

**The Modern Up-to-Date Method
of Getting Accurate Information Quickly**

**A time Saver... A Money Maker for Every Business
Let Us Show You How**

DON'T USE AN OLD DIRECTORY

One Address taken from an old Directory may send you miles out of the way and waste a whole day's time. You take pride in keeping a fresh stock of merchandise on your shelves....

**WHY NOT AVAIL YOURSELF OF
FRESH INFORMATION FOR YOUR DAILY USE**

Use Our Library Of Out-Of-Town City Directories

A complete library of out-of-town City Directories is maintained especially for the reference use of our subscribers. We invite you to consult this library of up-to-date Directories when in need of names, addresses, and other information about firms and individuals in other Cities.

**This is A Part Of Our Service
To Local City Directory Users.**

OUT OF SIGHT-OUT OF MIND OUT OF BUSINESS

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product will slip into the limbo of the forgotten, if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. Insist on being well represented in its pages.

PLEASE

Do Not Lend Your CITY DIRECTORY

IT COSTS YOU MONEY

Every Time It Is Loaned

The practice of lending your City Directory, in a great measure is responsible for the increasing cost of Directory Service.

The reason is.....

There is a definite cost involved in the making of the DIRECTORY of Your City.

THIS COST MUST BE ABSORBED BY THE SUBSCRIBERS-BE THEY ONE - OR BE THEY 1000.

If there were but ONE SUBSCRIBER to the CITY DIRECTORY - THE ONE SUBSCRIBER would of necessity have to absorb THE WHOLE COST.

If there were 100 SUBSCRIBERS - each one would have to absorb 1/100th PART OF THE WHOLE COST.

If there were 1000 SUBSCRIBERS - each one would have to absorb 1/1000th PART OF THE WHOLE COST.

From which it is obvious that the GREATER the number of subscribers - the LESSER the cost to each.

and.....

It is also obvious that the LESSER the number of subscribers - the GREATER the cost to each.

Every time you loan your City Directory the LESS NECESSITY THERE IS FOR THE BORROWER TO SUBSCRIBE FOR THE SERVICE.

MORE BORROWERS result in FEWER SUBSCRIBERS which means INCREASED COST.....
