# INTRODUCTION

We are proud to present this, the 1974 edition of the Albany City Directory. We have included in our canvass area: Albany and the surrounding rural area which we have been advised is the pertinent service and market region for this area.

Every effort has been expended in making this volume as complete as humanly possible. The information was gathered by an actual house to house canvass and compiled in such a way as to insure maximum accuracy. The time between final check of information and delivery has been minimized by the use of modern data processing technology and the fastest "in house" production capability in the industry.

It has always been our policy to provide accurate and comprehensive directory service to those communities that desire the "finest". We realize however that some errors and omissions are inevitable and earnestly request that these be brought to our attention. These errors and omissions will be corrected in the next edition of the directory. It is only through the interest of the subscribers and users of the directory that each new edition can surpass the last.

In the public interest the use of this directory for any other purpose than as a reference volume or reproduction of any part of this directory is expressly prohibited without written permission from the publisher.

We are proud of our membership in the Association of North American Directory Publishers. The members of this association are constantly striving to improve the products offered to the communities they serve. It is through the associations attitude of mutual sharing that many of the industries advancements have been made.

Decisions affecting the environment, growth and general government of the City of Albany come from the actions of our several Boards, Commissions, and Councils. Their members, serving as volunteers, compose the basic level of that system of self-government we all so highly cherish.

But alone they are not enough to ensure success. All citizens are encouraged to play an active part by attending their meetings and voicing their opinions.

Only with full participation can sound decisions be reached, worthy of support by all, and thus the City of Albany become the kind of community we want it to be.

PLATT A. DAVIS, MAYOR

# 1973 VETERANS' DAY

The following pictures are from the 1973 Veterans' Day festivities. The Congressional Medal of Honor Society held its 100th anniversary in Albany State College Gym 9-14. There are 103 members of the Society still living throughout the United States and many foreign countries. Out of this total membership, 142 plus wives attended this anniversary. These men hold the Nation's highest award for bravery. Albany was the first city with less than 250,000 people to be selected as a convention site for the Society.

(Left to right) Bob Bush, outgoing president of the Congressional Medal of Honor Society; Hugh O'Brien, Grand Marshal of the 1973 Veterans' Day Parade, and Bob Hoen are shown seated in the landing; medals were presented to them at the Congressional Medal of Honor Society and Veterans' Day Banquet held November 12, 1972 at Gill Coliseum in Corvallis.

"Corvallis, The Gateway to Liberty" was the theme of the 1973 Veterans' Day Parade. To the left is a float entered by the Pearl Harbor Survivors. Approximately 30,000 people viewed the parade.

Pictured to the right is the poignant at the Linn County Courthouse immediately following the parade with thousands viewing. This is a ceremony honoring those who gave their lives for their country.

Pictured above (left to right) is Bob Hope, Hon. O'Brien, Bob Bush (immediate past president of the Congressional Medal of Honor Society), and Clarence Veal, owner of R. Veal & Son Furniture. Mr. Veal presented each of the three distinguished guests with a handsome certificate to the Congressional Medal of Honor Society banquet on November 12, 1974. Presenting the certificate to distinguished individuals has been a tradition in Albany for several decades.

Mr. Veal's presentation is similar to Hon. O'Brien's presentation in the Veterans' anniversary show. Mr. O'Brien was the Grand Marshal for the 1973 Veterans' Day Parade.

Bob Bush (left) is shown presenting Bob Hope with a special award from the Society. Mr. Hope is known as the Commander in Chief of the Entertainment Forces. To the right of Mr. Hope is World War II General Jimmie Doolittle of the Tokyo Raiders. He is also a Medal of Honor recipient.

## GENERAL INFORMATION

Albany, the seat of fertile and lovely Linn County, is the “Hub of the Willamette Valley”. It has excellent transportation facilities, beautiful homes, up-to-date schools, and outstanding civic institutions. Easy-to-reach Albany is at the junction of U.S. Highways 99 and 20, twenty-two miles south of Salem and sixty-nine miles south of Portland.

Agriculture is highly diversified and the climate relatively free from extremes. The land, a combination of green valleys and timbered hills, produces bumper harvests of fruits, vegetables, filberts, grains and other crops. Irrigated pastures provide lush feed for the herds of dairy and beef cattle. Poultry and poultry products, including turkeys are money-makers too. Meat packing plants and milk condensary are located in fast-growing Albany.

Linn County is also the home of a vast timber empire, with sawmills, plywood mills, and a furniture factory busy converting tall trees to finished products. Albany is also the regional headquarters of the U.S. Bureau of Mines. Numerous other industries indicate a progressive outlook.

Outdoor recreation at its finest is yours here. A large portion of the county is being set aside to provide an unspoiled wilderness area for escape from crowded, noisy cities. Beautiful Clear Lake is nearby; mountain scenery, deep forests, lava beds, Alpine lakes, sparkling streams, excellent hunting and fishing are all at hand. The popular Hoodoo Ski Bowl is an easy drive from Albany, and the blue Pacific with its scenic beaches is not far.

Albany and Linn County offer a way of life that is truly happy and contented.

SINCE 1890

*Families have been asking at  
Heider's Fortmiller Funeral Home  
this Question:*

*Why does Heider's Fortmiller  
Funeral Home Advertise their  
Itemized System of Funeral Pricing  
and the Prices of their Caskets?*

**WE ADVERTISE BECAUSE . . . . .**

We believe that savings and life insurance are meant primarily for the living. Surely those who leave us have no desire to add a financial burden to the hardship of separation . . . We believe it would be their wish that the money needed to tide over the period of adjustment, or to complete the children's education, and not to be spent on a lavish over-priced funeral.

At Heider's Fortmiller Funeral Home, we now offer the itemized system of funeral pricing. It is: \$649.00 or less when YOU CHOOSE ONLY THOSE SERVICES YOU EXPRESSLY WANT, AND YOU PAY FOR ONLY WHAT YOU CHOOSE.

The prices of our caskets are from \$198.00 to \$1,698.00.

We emphasize good taste, but respect the need for economy, too.
