JOHNSON DIRECTORIES is pleased to present the 1987 edition of the Albany, Oregon City Directory. It has always been our policy to provide accurate and comprehensive directory service to those communities that desire the "finest". We realize however that some errors and omissions are inevitable and earnestly request that these be brought to our attention by calling (303) 667-0652. These errors and omissions will be corrected in the next edition of the directory. It is only through the interest of the subscribers and users of the directory that each new edition can surpass the last.

In the public interest the use of this directory for any other purpose than as a reference volume or reproduction of any part of this directory is expressly prohibited without written permission from the publisher.

In 1932, a young lawyer fresh from Marquette University decided to publish a book. This was not an ordinary book, but a list of people, their families, occupations and other vital information — a city directory. 1932 was hardly the time to begin, but people and businesses needed this important information then, just as they do now. Ken Erion started Johnson Publishing Company that year, and guided

its growth on sound business principles and belief in a quality product designed to service his customers. Now, more than fifty years later, Johnson Directories and its affiliates are still doing what Ken Erion initiated in 1932.

Johnson Directories, a division of U S WEST Marketing Resources, has enjoyed its share of growth. Starting with one small city directory in Wisconsin, it now publishes 500 quality, accurate directories which serve nearly 2,000 communities across the nation.

New products, enhancements of service and our rigorous commitment, place Johnson Directories in a leadership role.

Profile

Albany, Oregon

Albany, the seat of fertile and lovely Linn County, is the "Hub of the Willamette Valley." The first white settlers came to Albany in 1846. Two years later, Walter and Thomas Monteith named the city after their former home in New York.

Today Albany is a thriving valley town, more eager than many communities to welcome new, clean industry.

Albany is in the center of Oregon's Willamette Valley, at the confluence of the Willamette and Calapooia Rivers. It is at the intersection of Interstate 5 and U.S. Highway 20. Portland is 70 miles north and Eugene is 40 miles to the south.

The community's present economy relies heavily on three industries: rare metals, food products, lumber and wood products. The production of rare metals such as zirconium, molybdenum, columbium and titanium, has been important to the Albany area ever since the Bureau of Mines established a research facility here in 1943. Teledyne Wah Chang employs more than 1,500 people in the area with an annual payroll exceeding \$50 million. Other leading contributors to the economy are Albany T. Tamium, Oregon Metallurgical Corporation and Northwest Industries, Inc.

Profile ...continued

Albany leads other Linn County cities in employment in food and related products, providing 95 percent of the county employment in food processing. However, only five percent of Albany's total employment is in this sector. Oregon Freeze Dry Foods, Inc. is the largest multi-purpose freeze drying plant in the United States. Smoke-Craft is the world's largest producer of beef jerky and the National Fruit Canning

plant processes frozen strawberries, green beans, corn and squash.

A growing center of the nations metals industry, Albany is home for U.S. Bureau of Mines R & D Laboratories. In addition, metals firms such as Teledyne, Oregon Metallurgical, Ti-Line, Albany Titanium, among others, add to the local economy. Wood products continues as an employment base for the area

with such firms as Willamette Industries and Southwest Forest industries.

Additional contributors to the Albany economy are James River/Dixie Northern Company in Halsey, Hewlett-Packard in Corvallis and Mt. Jefferson Woolens in Jefferson.

Called "The Grass Seed Capitol of the World," Linn County in the Willamette Valley, serves as a center for grass seed production. In addition, sheep, cattle, food processing and dairy production complete a strong agricultural community. Additional employment, approximately 25 per cent, is in government, half of which is in education.

An active community, Albany was named a 1984-85 designee for the national "All-American City" award. Albany boasts the largest national Veterans Day celebration, is home for the World Championship Timber Carnival, attracting more than 100,000 people annually, and the Summer Fling/Jazz Festival.

Albany also has many fine old historical homes demonstrating several types of Victorian architecture, including the late Gothic Revival style, with the stone imported by Italian masons; the simplicity of Colonial Revival; the Queen Anne style, with its variety of texture and form; and the French Empire II style with mansard roof and dormer windows. A guided tour of some of these fine old homes is available through the Albany Area Chamber of Commerce.

Demographics

Community statistics and information are a courtesy of the Albany Area Chamber of Commerce

Albany's **ALTITUDE** is 222 feet above sea level and the corporate city limits encompasses an **AREA** of approximately 8.42 square miles. In this area, approximately 100 miles of streets are paved. The **CLIMATE** is mild with warm summers, some below freezing temperatures in winter, but very little snow. Winter lows average 34° and summer highs average 81°. The latest **POPULATION** figures for the area were: 27,000 (city limits); 50,000 (urban trade area); 90,000 (county); and 2,631,000 (state).

The **GOVERNMENT** in Albany is comprised of a six-member elected city council which appoints a full-time city manager. The **POLICE** department has nine modern vehicles with the latest in radio communications equipment. There is a total of 23 officers with a 10-man reserve patrol, one animal control officer, one parking enforcement officer, and seven dispatchers. The **FIRE** department consists of 11 fire vehicles, four ambulances, and three official vehicles. There is one main station with one sub-station; an intricate alarm system; 45 regular firemen including a fire chief, marshal, and inspector; and 20 volunteer firemen. The **SEWER SYSTEM** in Albany has an activated sludge treatment system designed for flow of 8.7 mgd with maximum capacity of 20.2 mgd; 38,700 pounds per day BOD and 20,500 pounds per day suspended solids. The active **PUBLIC**

WORKS Department designs, constructs and maintains streets, airport, sewers, city buildings, an excellent street lighting system, a centralized motor pool and modern shops. It has 40 employees, 40 radio-equipped vehicles, and 19 pieces of heavy equipment.

Albany's City **RECREATION** is among the finest in the entire state. The Albany Parks and Recreation Department sponsors a variety of year-round youth and adult recreation classes and activities. Among the programs available are athletic leagues for men and women of all skill levels and a cultural program for all ages which includes everything from the fine arts to instructional classes in applied arts. Other program areas include a Y-City Girls (4th through 9th grade) Sports Club; Kiddie Krafts (pre-school) classes for children 3, 4 and 5 years of age; outdoor education; community gardening; supervised

playgrounds and swimming instruction June through August. The Albany Senior Citizen Center program boasts a new facility staffed with a full-time coordinator. Daily activities, recreational classes and special events and trips are scheduled year-round. The Center also provides information and referral services and monthly blood pressure clinics. The **ALBANY BOYS & GIRLS CLUB** is a well-equipped facility for all boys and girls between the ages of 7 - 19. The Club has one of the finest equipped game rooms that can be found. In the library, a young person can find a place to read, watch TV, and play games. There are also activities in woodworking, lapidary work, and many other craft activities. In athletics, the Club provides programs in baseball, football, basketball, track and field, wrestling, boxing and soccer. The Albany Boys & Girls Club is a place where children can come and develop under qualified

adult supervision. The mid-Willamette Family YMCA is oriented toward providing activities for men and women, boys and girls. Its facilities include an enclosed swimming pool, shower, drying and dressing rooms, in modern decor, a sauna for both men and women, a large activity lobby with ping pong, pool, snack machines, a club room, lawn and play space, a gymnasium which houses a fitness center, six air-conditioned hand-ball courts, racquetball courts, volleyball, basketball, badminton; programs in gymnastics, physical fitness, day care and juvenile justice, and ample parking space.

The Albany community provides a wide range of **LEISURE TIME** activities. Both the city and county maintain an extensive system of neighborhood and regional parks which provide opportunities ranging from softball and tennis to restful hiking in the Cascade foothills. Boat ramps are located in the city and on mountain lakes. Picnic facilities for family outings require a choice between views of the Willamette River or a mountain brook.

Recreation programming is a joint responsibility of the City, the Mid-Willamette YMCA, the Albany Boys' and Girls' Club, the Greater Albany School District, and numerous private facilities which include golf courses, bowling alleys, and a racquetball club. Two indoor and one outdoor swimming pools serve the area.

An extensive choice of avocational experience ranging

from gourmet cooking to rock climbing is conveniently available at the local campus of Linn-Benton Community College.

The public **LIBRARY**, stocked with nearly 60,000 volumes and with a collection of records, films, cassettes, and audio visual equipment, serves the community from two locations.

A 65-mile trip to the coast opens up a whole new range of activities extending from crabbing and clamming to deep sea fishing—or just watching the waves break over the rocky coastline.

Mountain trails, wilderness camping, high mountain lakes, and Nordic and alpine skiing are just another 75-mile jaunt for Albany residents.

During the winter, Albany residents and visitors enjoy several **CULTURAL** offerings; among them, the Oregon Artists Series, Albany Civic Theatre productions, hobby groups and high school extension courses in night classes of various subjects and crafts. The purpose of the Creative Arts Guild of Albany is to bring culture alive in the mid-Willamette Valley by developing and encouraging the creative arts in the area. Albany's annual Spring Arts Festival is held in late April or early May to celebrate the coming of spring through involvement in the fine arts. Numerous buildings are converted into informal art galleries, and entertainment is provided in these. In the evening, dramatic and musical events are held throughout the city.

Albany contains many examples of historic architecture. None are open to the public; however, an interior tour of houses and churches is conducted on the last Saturday of July.

SPECIAL EVENTS in the immediate area include the Veteran's Day Parade, Krazy Daze and Christmas Celebrations, Summer Fling, and World Championship Timber Carnival.

Communications for the area are provided by the *Albany Democrat Herald* **NEWSPAPER** located at 138 SW Sixth with daily circulation (except Sunday). There is one main **POST OFFICE** staffed by the following personnel: one postmaster, three supervisors, 26 clerks, 30 city carriers, five rural carriers and three custodians. There are 24 government vehicles. Local **RADIO** stations are KWIL (Christian emphasis), AM, 790 KHz, 1000 watts; KRKT-AM, 990 KHz, 250 watts; and KGAL-AM, 920 KHz, 1000 watts. Albany receives nine **TELEVISION** channels with good, clear viewing. TV cable service is also available. KATU, channel 2, ABC from Portland; KVDO, channel 3 from Salem; KOIN, channel 6, CBS from Portland; KOAC, channel 7 (Limited Educational) from Corvallis; KGW, channel 8, NBC from Portland; KEZI, channel 9, ABC from Eugene; KOAP, channel 10 (Limited Educational) from Portland; KPTV, channel 12 from Portland; and KVAL, channel 13, NBC from Eugene.

Transportation to and from the area is provided by Greyhound

and Trailways **BUS** Lines; Amtrak passenger **TRAIN**; Southern Pacific and Burlington Northern **FREIGHT** service; regional, state and local **TRUCKING** services; Albany **AIRPORT** for small aircraft; and the Linn-Benton Loop Bus Service which provides transportation to Albany, Corvallis, and Philomath Monday through Friday.

Albany has two public High **SCHOOLS** and one private high school. There are three middle schools (6-8), 23 public elementary schools (K-5) and four private elementary schools. It is the home of Linn-Benton Community **COLLEGE**. There are three nurseries for ages 2-6 available five days a week, and 14 kindergartens (nine public, five private) available five days a week. Thirteen of Oregon's major universities and community colleges are within an hour's drive. In addition, there are 61 **CHURCHES** representing 30 denominations in the area.

Eight **BANKS** and six **SAVINGS & LOAN** associations are located in Albany: First Interstate Bank of Oregon (Albany & Waverly branches); US National Bank of Oregon (Albany Community and Santiam branches); Key Bank (Albany, East Albany and downtown Albany branches); American; Freedom Federal; Home Federal Savings and Loan; Benjamin Franklin Savings & Loan; Far West Federal Savings & Loan; Willamette Savings & Loan; and Williamsburg Savings & Loan.

ELECTRIC power is furnished by

Pacific Power and Light Company, and Consumer Power, Inc. Pacific Northwest Bell Company provides **TELEPHONE** service. Northwest **NATURAL GAS** Company provides natural gas and the Albany Sanitation Company furnishes garbage service. Albany has abundant supply of soft mountain **WATER** with complete treatment to State of Oregon specifications. Service is provided by Pacific Power and Light Company.

As in most growing communities,

rentals of **HOUSING** have at times been a problem, however, the situation in Albany has greatly improved. In the home building field, Albany is experiencing some growth and subdivision construction with minimum FHA and State GI financing is available. Excellent home sites in and out of the city are available.

Finally, there are eight **MOTELS** with a room total of 343; ten **TRAILER** parks including two with overnight facilities.

Health Facility

Albany General Hospital

1046 W. Sixth
Albany, OR 97321
(503) 926-2244

Over 35,000 people are served each year at Albany General Hospital, a 106-bed, not-for-profit acute care center. There are over 100 physicians, 400 employees and 500 volunteers making Albany General the hub of community health care.

The hospital provides nuclear medicine, diagnostic ultrasound, physical therapy, respiratory therapy, coronary care/intensive care units, electro-encephalography, electrocardiography, telemetry, a full-time chaplaincy, post-discharge planning services and financial counseling services.

The obstetric department has three labor rooms, one birthing room, two delivery rooms, a recovery room and three nurseries. Childbirth classes in LaMaze and for families planning a delivery in the birthing room are offered.

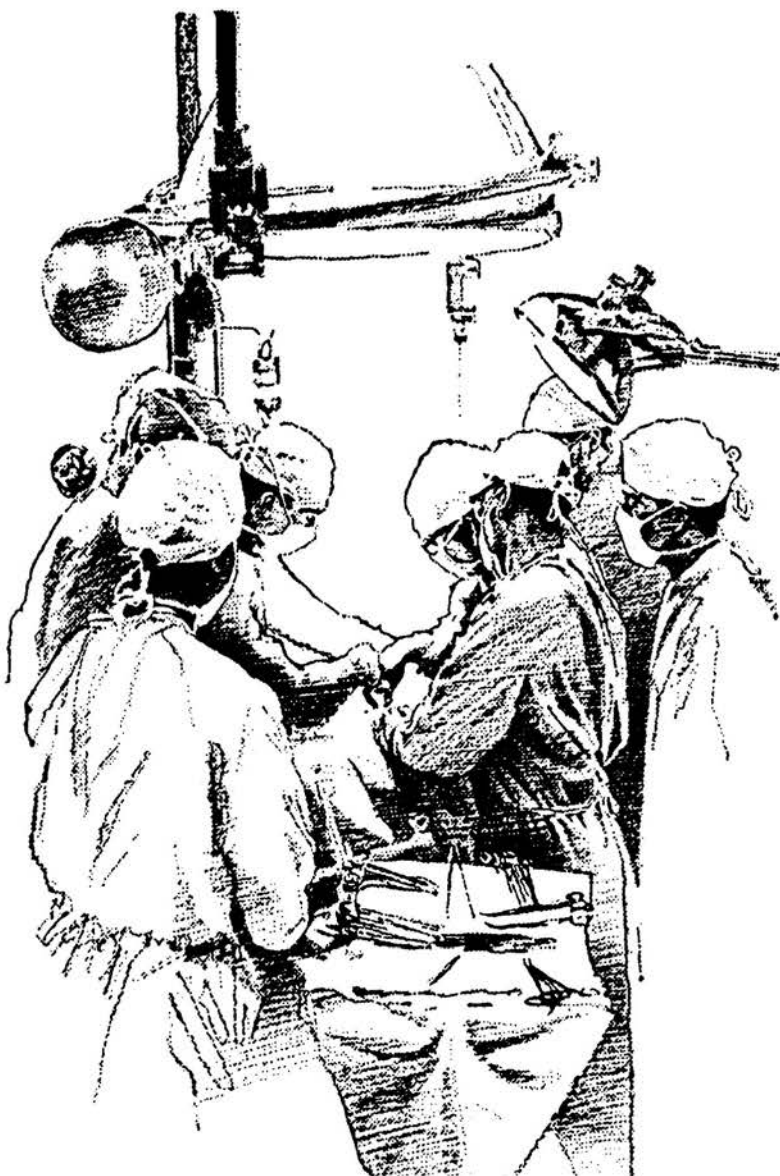

A physician is on duty at all times in the emergency department where 2,000 people are treated monthly.

The hospital has a two-year school of radiologic technology for 10 to 15 students and is affiliated with the student nurse program at Linn-Benton Community College.

Albany General Hospital is accredited by the Joint

Commission on Accreditation of Hospitals and is a member of the American Hospital Association, the Association of Western Hospitals, the Oregon Association of Hospitals, and Health Future, Inc.

What's In A Phone Number?

ABOUT THE FIRM

Who called me? When your call back message gives a telephone number only - or includes a common surname such as Jones, Smith, Brown etc. - the Numerical Telephone Locator will assist in determining correct firm name. Make use of both Alphabetical and Street Guide Information to

establish names of officers, owners or partners, products and services, and correct address. Properly identify firm and caller and have necessary records, files or correspondence on hand before returning call.

ABOUT THE INDIVIDUAL

Who called me? When only a telephone number is

known, the Numerical Telephone Locator will assist in determining the name of the individual - this information combined with other sections of your City Directory will quickly establish such information as wife's name, place of employment, title, home address, business address and other necessary information.

What to tell the babysitter?

When you know that she knows where you can always be reached by phone, you'll have a better time. Even if you're planning to be two or three places during the evening, it's a good idea to write down the names of the places, the

phone numbers, and the approximate times you'll be there.

Taking this precaution is a very simple matter—and it's one way that your telephone can make a *night out* just that much more pleasant.

To find surface of a ball multiply square of diameter by 3.1416.

To find side of an equal square multiply diameter by .8862.

To find cubic inches in a ball multiply cube of diameter by .5236.

Doubling the diameter of a pipe increases its capacity four times.

Double riveting is from 16 to 20% stronger than single.

One cubic foot of anthracite coal weighs about 58 lbs.

One cubic foot of bituminous coal weighs from 47 to 50 lbs.

One ton of coal is equivalent to two cords of wood for steam purposes.

There are nine square feet of heating surface to each square foot of grate surface.

Each nominal horse power boiler requires 30 to 35 pounds of water per hour.

To sharpen dull files lay them in diluted sulphuric acid until they are eaten deep enough.

A horse power is equivalent to raising 33,000 pounds one foot per minute or 550 pounds one foot per second.

The average consumption of coal for steam boilers is 12 pounds per hour for each sq. foot of grate surface.

To find the pressure in pounds per square inch of a column of water multiply the height of the column in feet by .434.

Steam rising from water at its boiling point (212 degrees) has a pressure equal to the atmosphere (14.7 pounds to the square inch).

ALBANY

"Where an active, exciting past means a bright, ambitious future."

ALBANY

"The All-American City"

A 1984-85 designee of the "All-American City" award. A Community working together for a better place in which to live.

A model of agricultural and industrial diversification. A center for grass seed industry, farming and food processing, cattle, sheep and dairy production.

Where wood products get the full treatment into lumber, particleboard, plywood, furniture, paper and other wood products.

A manufacturing center for sawmill machinery, mobile homes, fiberglass boats and fabrication of metal components for government and industry.

Site of Bureau of Mines R & D Laboratories. Northwest home of refractory metals production—zirconium, hafnium, titanium, columbium, tantalum, and vanadium.

Precision casting of stainless steel golf club heads and production of titanium golf shafts.

Mainline rail and road transport services. Low-cost power and water... excellent municipal service... attractive industrial sites.

A progressive community with modern schools, attractive residential areas, churches of all faiths and an aggressive retail business.

805 ELLSWORTH ST. S.W., ALBANY, OREGON "ALL ON ONE FLOOR"

A Moral in the Story.

Hank woke up in his advertised bed, slipped into his advertised slippers, and strolled across his advertised carpet. After showering in his advertised shower, he dressed in his advertised clothes, ate an advertised breakfast, petted his advertised dog, and drove away in his advertised car. At work, he sat at his advertised desk, turned on his advertised lamp, and adjusted his advertised watch.

Straightening his advertised tie, he lamented over the fact that sales were down, he had no customers, and things in general were poor. After sipping some advertised coffee, he resolved to take his unadvertised business and advertise it for sale.

So remember, it does pay to advertise.

"Every mother wants her children to grow up in a world without cancer."

*"We all want that for our children. And it's not impossible.
 Today there are 1,500,000 Americans cured of cancer and living normal lives. Research found ways to cure them.
 And research is working to find more cures. But that takes lots of money. The American Cancer Society needs your help to support research and its other lifesaving programs.
 What wouldn't you give for a world without cancer?"*

Heart Answers

WHAT IS A HEART ATTACK?

A heart attack is the death of a portion of heart muscle that may result in disability or death, depending on how much of the heart is damaged. It occurs when an obstruction in one of the coronary arteries prevents the blood from supplying oxygen to the heart muscle. Heart attack symptoms may include chest pain, nausea and shortness of breath. The risk of heart attack can be reduced by treating high blood pressure, avoiding cigarette smoking, observing a low cholesterol diet and maintaining normal body weight.

Willamette Industries, Inc.

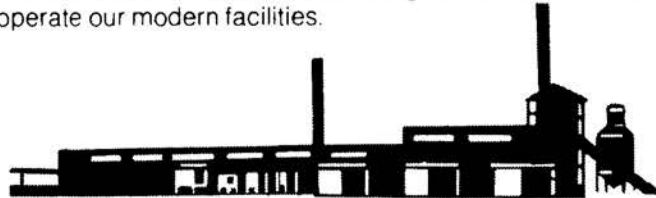

**Albany Paper Mill
Albany, Oregon**

A Proud Member Of The Albany Community

The Albany Paper Mill is located on a 130 acre tract about 3½ miles north of Albany. This area was selected primarily because of its central location in relation to the supply of wood chips from the surrounding timber area.

Willamette Industries is a growing company keeping pace with the community and economic development of Oregon. The quality products are a direct reflection of the outstanding members of this community who operate our modern facilities.

Heart Answers

**WHAT IS A
HEART ATTACK?**

A heart attack is the death of a portion of heart muscle that may result in disability or death, depending on how much of the heart is damaged. It occurs when an obstruction in one of the coronary arteries prevents the blood from supplying oxygen to the heart muscle. Heart attack symptoms may include chest pain, nausea and shortness of breath. The risk of heart attack can be reduced by treating high blood pressure, avoiding cigarette smoking, observing a low cholesterol diet and maintaining normal body weight.

Heart Answers

WHAT IS HARDENING OF THE ARTERIES?

A common form of hardening of the arteries is atherosclerosis. It occurs when fatty deposits in the blood-stream build up on the inner walls of the arteries. People who have atherosclerosis are more likely to suffer a heart attack or stroke. The risk of developing atherosclerosis can be reduced by observing a diet low in saturated fats and cholesterol. Contact your local American Heart Association for more information.
