JOHNSON DIRECTORIES is pleased to present the 1989 edition of the Albany, Oregon City Directory.

It has always been our policy to provide accurate and comprehensive directory service to those communities that desire the "finest". We realize however that some errors and omissions are inevitable and earnestly request that these be brought to our attention by calling (303) 667-0652. These errors and omissions will be corrected in the next edition of the directory. It is only through the interest of the subscribers and users of the directory that each new edition can surpass the last.

In the public interest the use of this directory for any other purpose than as a reference volume or reproduction of any part of this directory is expressly prohibited without written permission from the publisher.

In 1932, a young lawyer fresh from Marquette University decided to publish a book. This was not an ordinary book, but a list of people, their families, occupations and other vital information — a city directory. 1932 was hardly the time to begin, but people and businesses needed this important information then, just as they do now. Ken Erion started Johnson Publishing Company that year, and guided

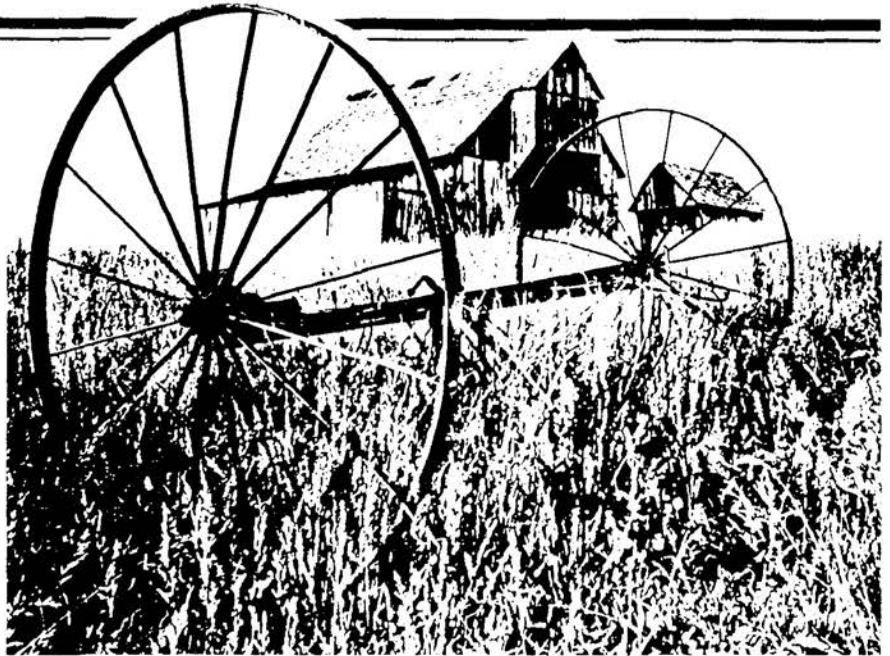

its growth on sound business principles and belief in a quality product designed to service his customers. Now, more than fifty years later, Johnson Directories and its affiliates are still doing what Ken Erion initiated in 1932.

Johnson Directories, a division of U S WEST Marketing Resources, has enjoyed its share of growth. Starting with one small city directory in Wisconsin, it now publishes 500 quality, accurate directories which serve nearly 2,000 communities across the nation.

New products, enhancements of service and our rigorous commitment, place Johnson Directories in a leadership role.

pressure clinics. The **ALBANY BOYS & GIRLS CLUB** is a well-equipped facility for all boys and girls between the ages of 7 - 19. The Club has one of the finest equipped game rooms that can be found. In the library, a young person can find a place to read, watch TV, and play games. There are also activities in woodworking, lapidary work, and many other craft activities. In athletics, the Club provides programs in baseball, football, basketball, track and field, wrestling, boxing and soccer. The Albany Boys & Girls Club is a place where children can come and develop under qualified adult supervision. The mid-Willamette Family YMCA is oriented toward providing activities for men and women, boys and girls. Its facilities include an enclosed swimming pool, shower, drying and dressing rooms, in modern decor, a sauna for both men and women, a large activity lobby with ping pong, pool, snack machines, a club room, lawn and play space, a gymnasium which houses a fitness center, six air-conditioned hand-ball courts, racquetball courts, volleyball, basketball, badminton; programs in gymnastics, physical fitness, day care and juvenile justice, and ample parking space.

The Albany community provides a wide range of **LEISURE TIME** activities. Both the city and county maintain an extensive system of neighborhood and regional parks which provide opportunities ranging from softball and tennis to restful hiking in the Cascade foothills. Boat ramps are located in the city and on mountain lakes. Picnic facilities for family outings require a choice between views of the Willamette River or a mountain brook.

Recreation programming is a joint responsibility of the City, the Mid-Willamette YMCA, the Albany Boys' and Girls' Club, the Greater Albany School District, and numerous private facilities which include golf courses, bowling alleys, and a racquetball club. Two indoor and one outdoor swimming pools serve the area.

An extensive choice of avocational experience ranging from gourmet cooking to rock climbing is conveniently available at the local campus of Linn-Benton Community College.

The public **LIBRARY**, stocked with nearly 60,000 volumes and with a collection of records, films, cassettes, and audio visual equipment, serves the community from two locations. A 65-mile trip to the coast opens up a whole new range of activities extending from crabbing and clamming to deep sea fishing—or just watching the waves break over the rocky coastline.

Mountain trails, wilderness camping, high mountain lakes, and Nordic and alpine skiing are just another 75-mile jaunt for Albany residents.

During the winter, Albany residents and visitors enjoy several **CULTURAL** offerings; among them, the Oregon Artists Series, Albany Civic Theatre productions, hobby groups and high school extension courses in night classes of various subjects and crafts. The purpose of the Creative Arts Guild of Albany is to bring culture alive in the mid-Willamette Valley by developing and encouraging the creative arts in the area.

Albany contains many examples of historic architecture. None are open to the public; however, an interior tour of houses and churches is conducted on the last Saturday of July.

SPECIAL EVENTS in the immediate area include the Oregon State Championship Chili Cook-Off, River Rhythms, Veteran's Day Parade, Crazy Daze and Christmas Celebrations, and World Championship Timber Carnival.

What to tell the babysitter?

When you know that she knows where you can always be reached by phone, you'll have a better time. Even if you're planning to be two or three places during the evening, it's a good idea to write down the names of the places, the

phone numbers, and the approximate times you'll be there.

Taking this precaution is a very simple matter—and it's one way that your telephone can make a night out just that much more pleasant.
